Press release #17-006

Womack Pharmacy Annex opening for refill pick-up, Jan. 9

FORT BRAGG, N.C. – The new Womack Army Medical Center Pharmacy Annex will be opening its doors Jan. 9 for prescription refill pick-up of call-in refills.

The Pharmacy Annex will assume refill distribution duties from the North Post Exchange. The new pharmacy will feature a drive-thru window for refill prescription pick-up only.

“The new pharmacy annex will help make getting your refill prescriptions easier,” said Col. Jorge Carrillo, chief, Department of Pharmacy, WAMC. “We are building the capability to include filling hard copy and electronic prescriptions, which will launch in February.”

The annex is located off of Reilly Road, in front of the mini-mall and across the street from the Iron Mike Conference and Catering Center.
