

We're Making Some Changes...

We're **Closing** the PX Pharmacy and We're **Opening** the Refill Distribution Center

- The **PX Pharmacy** will temporarily close on **Sept 30, 2015**
- We will **reopen** as the **Refill Distribution Center** on **Oct 13, 2015** for refill pickup until our new refill site is available in 2016.
- **For our current PX patients –**
We still want to take care of your prescription needs. We suggest one of the following options:
 - We encourage your providers to enter the prescriptions directly into our Electronic Prescribing system at **DoDFTBRAGGePhcy** and you can pick up your prescriptions the same day at the Main Outpatient Pharmacy at Womack
 - or**
 - We will offer next day pickup of your hard copy prescriptions placed in our drop box in the PX mall. Prescriptions placed in the box before **NOON** each day Monday through Thursday will be ready for pickup at this location after 1300 the next day. Prescriptions placed in the box after noon on Thursday will not be available for pickup until Monday after 1300. (This excludes all federal holidays.)
 - or**
 - Bring your prescriptions to the Main Outpatient Pharmacy for same day processing
