

Community Resources for Expecting Families

Classes

Womack Army Medical Center

Prepared childbirth Classes:

This class is for pregnant women and their partners. The classes (as of May 2010) consist of a two separate series of **four** classes during a one-month period to prepare for pregnancy, labor delivery, & parenting. There will now be 2 series of the 4 class childbirth sessions. The topics of the classes are **Introduction to Pregnancy, Labor techniques, Interventions, Relaxation & Lamaze, C-section data, and Newborn Care, postpartum changes & Breastfeeding support.**

These classes are held in **Weaver Auditorium** (ground floor of Womack Army Medical center by the Red Cross and Lunch Room) from **1800- 2000**. All moms are asked to bring bottle water and a writing pen to each class and sign in every time. [Sorry NO children allowed.](#)

To register for these **classes please call as early as 22-24weeks to ensure space is available.**

Call 907-6198 and leave your full name (to include spelling), and your actual due date, and a contact number for a call back call. **A confirmation email will be sent out.**

Class calendars can be seen on the website:

<http://www.wamc.amedd.army.mil/patients/deptservices/MaternalChildHealth/Pages/childbirtheeducation.aspx>

Sibling class: for children ages 4 – 12 years old.

Classes are on third Tuesday of various months from 1600- 1700 (please call for dates). The classes are held on the post-partum Unit, third floor in class room 339. Please call 907-6198 the child or children's name (to include correct spelling) sponsors last four, which month you desire to attend and a point of contact to number for a call back confirmation call.

Express Childbirth classes have been *discontinued*.

Breastfeeding Support Classes:
