SUMMER YOUTH PROGRAM

PLEASE NOTE:

We have re-evaluated the programs that we are currently offering for youth on Fort Bragg. In the past we had offered the "Summer Youth Program" as well as the "Fort Bragg ARC Youth Club". The decision was made to streamline what we are offering to better fit the needs of the youth. **We will no longer offer the "Summer Youth Program" at WAMC.**

We will be changing the name of the "Fort Bragg ARC Youth Club" to "**Fort Bragg ARC Youth Outreach Program**". The new Outreach Program will be ongoing year round the same as the adult program. We will offer monthly events for the youth to attend. In the summer the youth will be able to assist the adult volunteers as well as have youth specific events. This will afford the youth greater opportunity to accumulate the community service hours needed for school. There will be quarterly youth meetings. We are currently seeking an adult volunteer candidate for "Youth Chairman".
